Year 6 will have their cycling proficiency training early March. This is very important to ensure that our pupils are equipped with the necessary skills to become safe cyclists. A more detailed letter will follow.

Bike check day - Monday 12th March. The week long course will begin on Monday 19th to Friday 23rd of March.

We now have to adhere to very strict guidance concerning authorisation of holidays; all applications have to be completed on the official form. Our attendance target was not met during the Autumn term, so our school council will be working hard this term to try and improve this. Please continue to support our drive to get children to school every day; children who are tired and say they are feeling ill in the morning, usually become lively happy pupils once they get into their classroom.

Upcoming events - Reading enrichment week including an author visit.

Eisteddfod recitation and art and craft competitions sent home - Please note pupils will need to be members of the Urdd to participate in these activities. (Mrs Ingram has a list.)

Information will shortly be sent out about the year 5&6 residential visit to Llanion Cove in May.

School Council say -
'AIM FOR 100% ATTENDANCE'
