<http://www.bbc.co.uk/cbeebies/artbox/playit/loonylines/loonylines.html> paint program for children to paint faces **Uned 7**, food **Uned 10** and cake stamp for children to count how many on the screen.

<http://www.ngfl-cymru.org.uk/vtc/ngfl/wsl/136/Cyfri%20anifeiliaid%20y%20fferm.ppt>
If you have PowerPoint on your computer this is a good one for counting farm animals.

http://www.primaryresources.co.uk/online/online_downloads.htm download **shape reveal** for 2D shapes. Excellent **sorting game** look at it before-hand you could make labels to cover the English or an adult can give instructions in Welsh for children to respond. **Teddy Dress** is a fab one for clothes (again an adult can give instructions in Welsh). **Street shapes** is a good one for shapes in the environment. **Pattern** a good one for responding to instructions using 2D shapes.

<http://www.primaryresources.co.uk/online/touchcirc.swf>
Ble mae cylch? Clicking on the circles that come up on screen.

http://www.primaryresources.co.uk/online/princes_getdressed.swf
game for getting dressed and identifying different clothes.
