Fundamental Skills: Easter

Bunny Hop Workout – a great movement for building up strength in the upper body.

- Start in a squatting position.
- Place your hands on the ground a little way ahead of you, shoulder-width apart.
- Take your weight on your hands, lifting your feet off the ground, making sure they land back down a little further ahead from the take-off position.
- Repeat the movement by taking your weight on your hands and moving your feet forwards each time.
- You should look like a bunny hopping!
- Set yourself a certain distance to travel or have bunny hop races with a friend or family member.
