

Learning Activities: Year 5/6

Week Commencing: 11th May 2020

Tuesday the 12th May marks a very important anniversary. On the 12th May 1820 Florence Nightingale was born. Florence revolutionised the nursing profession and was the founder of modern day nursing. The newly built 'Nightingale' hospitals around the UK are named after Florence. At this time when our nurses and healthcare staff are so important, this week's activities will be themed around Florence and her contributions to nursing. Please do not hesitate to contact me at harrington11@hwbcymru.net if you have any questions.

Literacy	
1	<p>Spelling</p> <p>Log into J2Launch and select J2 Blast, then select Spell-blaster. Choose 'Practice' section, and then choose 'Year 5/6' spelling words using the slider. Use Spell Blaster to practice these spelling words. If these words are difficult, you can change the words to a different year group using the slider.</p> <p style="text-align: center;">J2 Blast</p>
2	<p>Reading: Researching Florence Nightingale</p> <p>On 12th May 1820, 200 years ago, Florence Nightingale was born. When she grew up, she became a nurse, and eventually established some of the modern nursing traditions and hygiene standards that nurses still use today. To help you understand why Florence was so important to the nursing profession and nursing today, visit these sites and carry out some research.</p> <p style="text-align: center;">Florence Nightingale Video Florence Nightingale Facts</p>
3	<p>Writing Task: Writing a Letter</p> <p>I would like you to use your notes from your research and everything you have learnt to write a letter home to a family member pretending that you are Florence. It is your first visit to the British Army Hospital in Crimea and you are horrified by what you have seen.</p> <p>Your letter should have 3 paragraphs, the first describing the scenes in the hospital, the second describing what changes you will make and a third 'signing off' paragraph. I have written an example in Hwb to help you. I'm looking forward to reading your letters! You can type them on Hwb or on paper and upload a photo ☺</p>

Numeracy	
1	<p>Multiplication/ Division Facts</p> <p>Follow this link and click on either 'Times Tables' or Division Facts. Try to do this daily or as often as possible as it will really help with recall of basic multiplication and division facts.</p> <p>Hit the Button</p>
2	<p>BBC Bitesize Maths Lessons</p> <p>Follow the link to the main page for the BBC Bitesize Daily Lessons. Select your year group, and the maths lesson. Follow the instructions on the website and complete the activities. You will find links to the activity worksheets for each year group on HWB. Right click the document and choose 'Use in J2E', and you will be able to type on the worksheets 😊</p> <p>BBC Bitesize Daily Lessons Homelearning File</p>

Additional Florence Nightingale Activities	
1	<p>PSE/ Wellbeing</p> <p>Florence was a very inspirational person whose actions and choices helped save many lives and are still helping to save lives 200 years later. Think about a person who inspires you. Write a paragraph explaining who the person is, why you have chosen them, and how they have inspired you.</p> <p>Florence was a selfless person who dedicated her life to helping others. Think about what you can do this week to help others 😊 I'd love to hear about what you have done.</p>
2	<p>Art: Drawing</p> <p>Follow this link to a video tutorial on how to draw a nurse. Don't forget to colour and upload your drawings when you are finished!</p> <p>How to Draw a Nurse</p>
