

Learning Activities: Year 5/6

Week Commencing: 1st June 2020

Hello Year 5 and 6, I hope you all had a lovely and relaxing half term ☺ Weekly activities are available in Shared Files, within the just2easy section of the Hwb homepage. When an activity is complete, please let me know using the 'Learning Conversation' speech bubble. If you have created a new document, remember to give it a name. Please do not hesitate to contact me at harrington11@hwbcymru.net.

Literacy	
1	<p style="text-align: center;">Spelling</p> <p>Log into J2Launch and select J2 Blast, then select Spell-blaster. Choose 'Practice' section, and then choose 'Year 5/6' spelling words using the slider. Use Spell Blaster to practice these spelling words. The words will increase in difficulty the more you get correct. If these words are difficult, you can change the words to a different year group using the slider. J2 Blast</p>
2	<p style="text-align: center;">Grammar: BBC Bitesize: Synonyms and Antonyms</p> <p>Follow the link to the BBC Bitesize home learning page. Select your year group and the activity titled 'Story Writing, Synonyms and Antonyms.' Follow the instructions on the website and complete the activities. You can find the activity sheets on Hwb within the Home-learning File. Make sure you save any work completed in J2e. BBC Bitesize and Home Learning > Summer 2 > Wb 1st June</p>
3	<p>Reading: 'The Ickabog' by JK Rowling. Chapter 1: King Fred the Fearless</p> <p>Exciting news from lockdown! JK Rowling has announced she is publishing a brand new children's story, her first since the Harry Potter Series. The story is called 'The Ickabog'. Read Chapter 1 and let me know what you think of the story so far ☺ Chapter 1</p>
4	<p>Writing: 'The Ickabog' by JK Rowling; Chapter 1: King Fred the Fearless</p> <p>Activity 1: Read the description of King Fred the Fearless. Draw and label him based on this description.</p> <p>Activity 2: In the first chapter, different parts of the kingdom of Cornucopia are described. Can you draw them in a map? As a challenge, label your map with the things that area is famous for. Below is an example of a hand-drawn map of Narnia ☺</p>

Numeracy	
1	<p>Multiplication/ Division Facts</p> <p>Follow this link and click on either 'Times Tables' or Division Facts. Try to do this daily or as often as possible as it will really help with recall of basic multiplication and division facts.</p> <p style="text-align: center;">Hit the Button</p>
2	<p>BBC Bitesize Maths Lessons</p> <p>There are daily Maths lessons for all year groups added to BBC Bitesize. Follow the link to the main page for the BBC Bitesize Daily Lessons. Select your year group, and the maths lesson. Follow the instructions on the website and complete the activities. You can find the activity sheets on Hwb within the Home-learning File. Make sure you save any work completed in J2e.</p> <p> BBC Bitesize Daily Lessons _ Home Learning > Summer 2 > Wb 1st June</p>
3.	<p>Active Learn Maths Games</p> <p>Please log into Active Learn and complete at least one Maths Game allocated for you each week. Please email me if you need reminding of log in details.</p> <p style="text-align: center;">Active Learn</p>

Foundation Subjects	
1	<p>PE: Yoga</p> <p>Yoga is a great way of improving many skills such as balance, strength and co-ordination. Try this fun yoga activity and take time to notice how you feel after you practice.</p> <p style="text-align: center;">Cosmic Yoga: Star Wars, The Force Awakens</p>
2.	<p>Topic: Rivers; Rivers Around the World</p> <p>Planet earth is home to many famous rivers, such as the Nile and the Amazon River. Use your own knowledge, the internet or books to label the correct location of some of the most famous rivers around the world. Complete the worksheet on Hwb, don't forget to save your work!</p> <p> Home Learning > Summer 2 > Wb 1st June > Topic</p>
3.	<p>Topic: Butterfly Education and Awareness Day: 06.06.20</p> <p>Every year on the 1st Saturday of June, the Butterfly Education and Awareness Day is held. Have you seen any butterflies in your garden? Follow the link if you would like to try some activities that can encourage more butterflies in your garden and to help you name the species of butterfly in your garden ☺</p> <p style="text-align: center;">Home Learning > Summer 2 > Wb 1st June > Butterfly Day 2020</p>
4.	<p>Art: Butterfly Day Symmetry Art</p> <p>Choose your favourite butterfly from the Butterfly Checklist (mine is the peacock butterfly!) Using whatever art materials available, can you draw and colour your favourite butterfly! Challenge- make it symmetrical, where it looks the same on both sides ☺ Don't forget to show me your work!</p>
