

## Learning Activities: Year 5/6

**Week Commencing: 22nd June 2020**

Weekly activities are available in Shared Files, within the just2easy section of the Hwb homepage. When an activity is complete, please let me know using the 'Learning Conversation' speech bubble. If you have created a new document, remember to give it a name, and when using J2E make sure you save your work! Please do not hesitate to contact me at [harrington11@hwbcymru.net](mailto:harrington11@hwbcymru.net).

Literacy	
<b>1</b>	<p style="text-align: center;"><b>Spelling</b></p> <p>Log into J2Launch and select J2 Blast, then select Spell-blaster. Choose 'Practice' section, and then choose 'Year 5/6' spelling words using the slider. Use Spell Blaster to practice these spelling words. The words will increase in difficulty the more you get correct. If these words are difficult, you can change the words to a different year group using the slider.</p> <p style="text-align: center;"><a href="#">J2 Blast</a></p>
<b>2</b>	<p style="text-align: center;"><b>Grammar: BBC Bitesize: Adverbs</b></p> <p>Follow the link below and read the information about adverbs. Complete any activities on the web page. You can find a worksheet on adverbs within the home learning folder, or by following the link below.</p> <p style="text-align: center;"><a href="#">BBC Bitesize Adverbs</a> and <a href="#">Adverbs Worksheet</a></p>
<b>3</b>	<p style="text-align: center;"><b>Reading: 'Rainforest Calling'</b></p> <p>Follow the link below to the book 'Rainforest Calling.' Read pages 2-17. Explain what has happened in the first part of the story using the <a href="#">Story Summary</a>. If you enjoy the story keep reading and let me know what you think of it 😊</p> <p style="text-align: center;"><a href="#">Rainforest Calling</a></p>
<b>4</b>	<p style="text-align: center;"><b>Writing Task: 'Rainforest Calling'</b></p> <p>In the beginning of the story, Daisy's teacher asks her to watch a live webcam of the Amazon Rainforest. I would like you to write a setting description based on the rainforest. First, complete this <a href="#">planning sheet</a>. Remember to use <a href="#">powerful adjectives</a>! Look at this <a href="#">example</a>, which includes a Success Criteria. Then use this <a href="#">writing frame</a> to write your description. It might help you to write your description on scrap paper first so that you can edit it 😊</p>

Numeracy	
1	<p align="center"><b>Multiplication/ Division Facts</b></p> <p>Follow this link and click on either 'Times Tables' or Division Facts. Try to do this daily or as often as possible as it will really help with recall of basic multiplication and division facts.</p> <p align="center"><a href="#">Hit the Button</a></p>
2	<p align="center"><b>BBC Bitesize Maths Lessons</b></p> <p>There are daily Maths lessons for all year groups added to BBC Bitesize. Follow the link to the main page for the BBC Bitesize Daily Lessons. Select your year group, and the maths lesson. Follow the instructions on the website and complete the activities. You can find the activity sheets on Hwb within the Home-learning File. Make sure you save any work completed in J2e.</p> <p> <a href="#">BBC Bitesize Daily Lessons</a> and <a href="#">Home Learning &gt; Summer 2 &gt; Wb 22nd June &gt; Numeracy</a></p>
3.	<p align="center"><b>Active Learn Maths Games</b></p> <p>Please log into Active Learn and complete at least one Maths Game allocated for you each week. Please email me if you need reminding of log in details.</p> <p align="center"><a href="#">Active Learn</a></p>

Foundation Subjects	
1	<p align="center"><b>PE: Supermovers</b></p> <p>Carrying on with this week's Rainforest Theme, I hope you enjoy this rainforest exercise activity! Maybe when you finish you could think of your own rainforest exercise!</p> <p align="center"><a href="#">Andy's Wild Workouts: The Rainforest</a></p>
2.	<p align="center"><b>Topic: World Rainforest Day</b></p> <p>Monday 22<sup>nd</sup> June is World Rainforest Day. Rainforests are vital for the survival of life on Earth. We depend on the Amazon rainforest alone for 20% of the oxygen we breathe and the freshwater we drink. They absorb our carbon dioxide, and are home to half the world's plant and animal species.</p> <p align="center"><a href="#">Home Learning &gt; Summer 2 &gt; Wb 22nd June &gt; Topic</a></p>
3.	<p align="center"><b>Topic: Rivers: Amazon River</b></p> <p>Use your own knowledge and research from the internet to write a short report on the Amazon River. Follow the link below to a writing frame and use the guidance there.</p> <p align="center"><a href="#">Research the Amazon River</a></p>
4.	<p align="center"><b>Art: Design a Rainforest Creature</b></p> <p>Use features from rainforest animals or your own imagination to design and name your own rainforest creature! You don't need to use the template to draw, just use it as a guide.</p> <p align="center"><a href="#">Design a Rainforest Creature</a></p>
