

Learning Activities: Year 5/6

Week Commencing: 6th July 2020

Weekly activities are available in Shared Files, within the just2easy section of the Hwb homepage. When an activity is complete, please let me know using the 'Learning Conversation' speech bubble. If you have created a new document, remember to give it a name, and when using J2E make sure you save your work! Please do not hesitate to contact me at harringtonl11@hwbcymru.net, or through the learning conversation on HWB.

Literacy	
1	<p style="text-align: center;">Spelling</p> <p>Log into J2Launch and select J2 Blast, then select Spell-blaster. Choose 'Practice' section, and then choose 'Year 5/6' spelling words using the slider. Use Spell Blaster to practice these spelling words. The words will increase in difficulty the more you get correct. If these words are difficult, you can change the words to a different year group using the slider.</p> <p style="text-align: center;">J2 Blast</p>
2	<p style="text-align: center;">Grammar: Synonyms</p> <p>A synonym is a word that has a similar meaning to another word. For example, there are many synonyms for happy. Ecstatic, cheerful, joyful all mean happy, but are better word choices. To make our writing exciting, we should think carefully about our word choices, and use the best words possible. Read the Shades of Meaning Powerpoint. Complete the activities on HWB or you could draw your own on paper.</p> <p style="text-align: center;">Activity 1 and Activity 2</p>
3	<p style="text-align: center;">Reading: Dragonsworld</p> <p>Look carefully at the image and then read the Story Starter on the first page. There are different activities to complete on the other pages. You will have to turn the pages on J2e. Ask me if there's anything you aren't sure about.</p> <p style="text-align: center;">Dragonsworld</p>
4	<p style="text-align: center;">Writing Task: Inside Out</p> <p>The film Inside Out is about different emotions inside our bodies that control our reactions to things that may be happening to us. First, watch this clip from the film, then read the Character Profiles explaining the different emotions. Then complete the Understanding Emotions sheet. If you would prefer to keep your ideas for yourself, you could either print it out or complete it on scrap paper.</p>

Numeracy	
1	<p style="text-align: center;">Multiplication/ Division Facts</p> <p>Follow this link and click on either 'Times Tables' or Division Facts. Try to do this daily or as often as possible as it will really help with recall of basic multiplication and division facts.</p> <p style="text-align: center;">Hit the Button</p>
2	<p style="text-align: center;">Maths: Data Handling</p> <p>Use this tally to keep track of your emotions over a few days Use this information from your tally to complete a bar graph. Don't forget to label your graph and give it a template. You can use this template to help you or you can draw your own.</p>
3.	<p style="text-align: center;">Active Learn Maths Games</p> <p>Please log into Active Learn and complete at least one Maths Game allocated for you each week. Please email me if you need reminding of log in details.</p> <p style="text-align: center;">Active Learn</p>

Foundation Subjects	
1	<p style="text-align: center;">PE: Walking</p> <p>Walking is a great type of exercise and has many benefits such as improving your mood, and it's a great activity for your overall health. If you can this week head out on a nice walk in your local area. Use this Nature Scavenger Hunt and see what you can find when out on your walk!</p>
2.	<p style="text-align: center;">Art: Roll a Picasso</p> <p>Pablo Picasso was a Spanish Painter, known as one of the greatest and most influential artists of the 20th century. His most famous style of painting is called Cubism. Try this Roll a Picasso to draw a face in the style of Picasso. If you don't have dice at home you can use this virtual dice roll website.</p>
3.	<p style="text-align: center;">Topic: Inside Out</p> <p>Watch this clip from Inside Out, explaining the Islands of Personality. The Islands of Personality are locations inside the mind, created from the past, memories, experiences, interests, and passions. Riley's Personality Islands are, Family Island, Honesty Island, Hockey Island, Friendship Island and Goofball Island. These are all things that are important to Riley. Read the Instructions on this Powerpoint and create your own Islands of Personality that represent you ☺</p>

Y6 Transition	
1	<p style="text-align: center;">Useful Websites</p> <p style="text-align: center;"><u>Cwmtawe School Year 6 Info</u> <u>Starting Secondary School Advice</u> <u>Transition to Secondary School</u></p>
2.	<p style="text-align: center;">Transition to Secondary School Activities</p> <p>This is a difficult time for Year 6 as many of them will be moving to Secondary School in September without the traditional end of Primary School support and activities to help prepare them. I would recommend visiting the Cwmtawe Website using the link above as they have recorded many videos including Virtual Tours of the School, and a video introducing the Head of Year and Y7 Form tutors. If your child is not moving to Cwmtawe I would recommend checking their website and reading any information available. I have shared the usual information with the secondary schools to ensure the school can support your child's needs. Here is a <u>Transition Activity Pack</u> that your child can complete over the coming weeks to help prepare them. If you have any questions or concerns please get in contact and I will do my best to support you in any way I can.</p>
