Food Safety

Packed Lunches and healthy snacks

To reduce the risk of choking:
– remove any stones and pips
– halve small fruit and vegetables like grapes and cherry tomatoes
– cut large fruits, like melon, into slices instead of small chunks.
Thanks.

National Tests

The National Tests for children in Years 2 to 6 take place between the 2nd and 9th May. Please ensure children are in school for these tests. Results are reported to parents in July.

Eco Committee

The Eco Committee held a Fairtrade competition for children to design their own chocolate bar wrapper that included the Fairtrade logo. The competition was judged by the Eco Committee with Fairtrade chocolate prizes and certificates awarded to children in the infants and juniors for 1st, 2nd and 3rd place.

Car Park: Parents are asked to switch engines off when parked in the car park to reduce fumes. Thanks.
