INFORMATION FOR PARENTS

### **Bench**

Help wanted- if anyone has a spare hour or so, we'd really appreciate help with putting together the memorial bench that we have bought. See office staff.

### **Defibrillator**

This term, we are hoping to raise money to buy a defibrillator. During first aid training, staff learned that the chance of survival following cardiac arrest increases from 2% to about 60% if a defibrillator is available.

Our fundraising events this term will focus on raising money for one to be placed in school. It is hoped that it will never be needed. Our target is approximately £1100.

A big thankyou to Kim Vanezi and the Victoria Fish Bar who have raised over £140 for this cause. Also, thank you to Clare Williams who has organised for a donation to be made to the school following taster sessions for 'The Retreat' (massage, yoga, pilates, etc) being held at the Workhouse (10a.m.-4p.m.) on 13<sup>th</sup> October.

Miss McCarthy is also raising funds for this cause by running the Cardiff Half Marathon on 7<sup>th</sup> October. Please see Miss McCarthy at the end of a school day if you wish to sponsor her. All sponsorship greatly appreciated.
