

**School Meals**

Powys County Council Catering Department has alerted all schools to the amounts of money owed because of non- payment for school meals.

Parents of pupils in Presteigne Primary currently owe **£876.45**.

The head of Powys Catering has stated that this is jeopardising the future of school meals in Powys.

Please make sure your Cashless Account is in credit / balanced. Thanks

**Breakfast Club**

A number of parents owe money breakfast club money. As above, non-payment will put the future of the breakfast at risk. Unless outstanding monies are paid, via the cashless system, the school breakfast club will not be able to operate. This would be a shame as so many parents rely on it.

Thank you for your cooperation in this matter.
