

The Local Authority and Welsh Government has asked schools to collate data regarding ICT hardware provision and access to the internet at home.

Please email IT@presteigne.powys.sch.uk if you have issues relating to the above: (by THURSDAY 23rd APRIL)

(you do not need to email if you are not having issues relating to internet and/or hardware).

Please include the following information:

Names of children and their classes

Do you have internet access at home?

Have you got enough access to tablets or computers/laptops for all children who need to complete home learning?

Please email by THURSDAY 23rd APRIL

Thanks
