

Dear Parents and Carers,

We have been made aware of a possible case of the Omicron Variant in school. After lengthy conversations with the Local Authority and Public Health Wales, we have been advised to close the school to all Foundation Phase children who were in school on Wednesday 15th December. The advice is that these children should isolate immediately and for 10 days.

This will take place with immediate effect. Please collect your children from school as soon as possible. The car park will be open from 11.45.

Please use the one way system and collect your children from their classrooms. If you are having issues with childcare as a result of this, please feel free to collect siblings from other classes.

Please check the date of isolation on your Warn and Inform letter as the date of last contact may be different for some children.

As soon as we have any further information, we will be in touch.

Thank you, as ever, for your continued support with this.

Helen Palmer

Acting Headteacher.
