Dear Parent/Guardian,

Data Sheets

You have received an envelope containing your child's personal information leaflet. **It is essential that you return the leaflet and note any changes by Monday the 21st of September** so that we can **contact you during an emergency** and use the contact numbers for **Test, Track and Protect** procedures.

Office Answering Machine

When you call the office if there is no answer there is an answerphone facility. At times during the day there is not always someone available to answer the phone. Leave a message and we will get back to you if needed.

School uniform

I would like to remind you that your child needs to wear clean clothes to school every day due to COVID-19 guidance measures. Grey coloured skirts should be worn and I would like to remind you that they should be knee length. **SOME OF THEM ARE VERY SHORT!**

For P.E. sessions the children should wear a school polo shirt/red t-shirt and grey joggers. During the COVID-19 we will accept grey / black joggers because we appreciate the financial pressure to have extra school uniform. No other t-shirts should not be worn.

Google Classroom

We will be distributing Google Classroom letters on Thursday which will include Google Classroom login details. I would like you to check that the logins work as this is where we will set work for your child if they are not in school should a class / part of the school have to be closed

PTO.....Be alert for any symptoms of COVID-19

Be alert for any symptoms of COVID-19:

- a new or continuous cough
- a high temperature
- a loss of or change to sense of smell or taste

If your child develops any of these symptoms, you need to:

- book a test for them by phoning 119 or through the online portal: <https://www.nhs.uk/ask-for-a-coronavirus-test>
- follow the advice provided when your child receives their test result
- phone school on 01633 850804 (leave a message if no one is available to answer the phone) or email ysgol.gymraegbroteyrnon@newport.gov.uk and let us know that your child is unwell with COVID-19 symptoms and that you have requested a test
- ensure your child self-isolates for 10 days from when their symptoms started
- ensure all other household members isolate for 14 days from when your child developed symptoms
- ensure you do not visit a GP surgery, pharmacy or hospital but if you require medical advice please contact NHS 111 or telephone your GP; if there is a medical emergency phone 999

To reduce the risk of COVID-19 spreading, there are things that everyone in your family can do to help. These include:

- washing hands with soap and water often – do this for at least 20 seconds
- using hand sanitiser gel if soap and water are not available
- washing hands as soon as they get home
- covering their mouth and nose with a tissue or sleeve (not their hands) when they cough or sneeze
- putting used tissues in the bin immediately and washing hands afterwards

Further information on symptoms and self-isolation can be found here:

The COVID-19 online symptom checker can tell you if you need medical help and advise you what to do: <https://gov.wales/check-if-you-need-coronavirus-medical-help>

You are aware of many of the measures we have put in place to minimise the risk of transmission of COVID-19. I want to reassure you that we will continue to be vigilant and do all we can to provide the safest possible environment for our school community. Stay safe.

Yours sincerely,

Lona Jones-Campbell (Headteacher)
