

Autumn Issue 2020

Y. G. G Tyle'r Ynn

PTA

It is a bit late we know, but welcome back and welcome to all the new children and parents to the school! Well what can we say about the last academic year...that did not quite go to plan is one thing that comes to mind! Our aim over the past year has to been to raise £3,500 for new reading books and although we had to cancel quite a few events due to COVID-19 we still raised lots of funds, and we would like to extend a very BIG thank you to everyone that has been able to support the PTA's efforts.

UPCOMING EVENTS

- **23rd October** – Autumn Fancy dress disco for all years in their class bubbles.
- **Decemeber (Date TBC)** – Christmas disco for all years in their class bubbles.

Check out our Facebook page for future events.

From June 2019 - March 2020 you helped to raise £3000! We have already donated £1,400 to the school, which has been used to invest in a new 'Bug Club' English reading initiative and contribute towards 4 new interactive white boards. More funds are available to the school upon request.

During this difficult time, we would still like to raise as much money as we possibly can and would be grateful for any suggestions of fundraisers we could hold. During a recent poll on our Facebook page it was suggested that we hold raffles online and we are pleased to say that this is now up and running, join the Facebook page 'Raffles r us' to join in and win some fantastic prizes!

Can you help?

The PTA is made up of a group of volunteer parents and staff who give up their time to create better learning experiences for all children at the school. As well as raising much needed funds that improve the school, the social events that we run bring the whole school together, links teachers and parents, and creates new friendships between parents.

Future Fundraising Goals...

We normally like to have a fundraising goal to work towards but due to the current circumstances holding events is extremely difficult so our plans will be as flexible as we can make them, however, our focus, as always, will be to continue supporting the school community. We have consulted with Mr Humphreys and have decided that this year we will just aim to raise as much funds as we can and once all building work is completed, we will look into funding outdoor classrooms.

How we spend...

At the start of every academic year we donate £100 to the school council, where the selected committee of pupils choose what they would like to spend the money on to benefit all the children, in the past it's been new footballs, bean bags, chalks etc for the yard. We also donate £300 towards the year 6 leavers event; this is normally put towards a limousine or party bus. Unfortunately, this year the year 6 class, that has now left, were unable to have their leavers party so we decided to buy each of them a little leavers gift. The parents from the year group very kindly donated their refunded deposit from their leaver's activity trip towards the PTA.
