Year 3/4W

This week, the Lower Juniors have been showing their 'The Great Outdoor' presentations.

We had a few weeks to choose our topic, research and make it into either a Powerpoint, poster, display or a model. We had to introduce ourselves then present our projects. Once we had finished, we had to answer a range of different questions asked by other children and teachers. The presentations ranged from Brecknock Hill Cheviots to pollution in the ocean. We learned lots of different important facts this week including:

- Some turtles have become endangered.
- You have to swim 21 miles to cross the British Channel.
- Brecknock Hill Cheviots originally came from Scotland.
- Humans eat micro plastics when they eat some fish.
- Soap nuts can be used instead of washing liquid.
- Bamboo toothbrushes are better for the environment than plastic ones.
- Soldiers had to dig trenches during WW1.
- Mixing Vinegar and Baking Soda makes an explosion of bubbles.

We think all of the projects have been very interesting and good. Everyone has enjoyed this topic and we are excited to learn more about 'The Great Outdoors'.

A few of the amazing presentations brought in by 3/4W

Can we ask that children bring a weather appropriate coat to
School please.

Homework- This is sent home with each pupil on a Friday afternoon and should be returned on the following Monday (Tuesday at the very latest). **Please encourage and support your child with this responsibility. Please ensure that your child comes to school with all of the correct materials. Pencil case, reading book, reading record, PE kit and all of the correct school uniform.** □

Support your child reading - All pupils have 10 minutes reading homework on a daily basis. Please sit with your child and ask questions about the text beginning with:

'Why do you think...?'

'Who ...?'

'How ...?'

'Can you find one word which means...?'

After listening to your child read please sign the yellow reading record. Reading books and reading records should be brought into school every day.

Clothing- Please ensure that your child wears school uniform and continue to clearly label all items of clothing. This avoids any confusion if items are lost. Children must have a weather appropriate coat this term.

Parking- We realise that parking is a problem for our parents. **For the safety of all pupils,** please observe parking restrictions around school. Parking around school is **not permitted** between the hours of 8:00am-9:00am and 3:00pm-4:00pm. If you require a parking permit for the council car park, this can be arranged via the school office.

ATTENDANCE INFORMATION

Absences - Please let us know as soon as possible if your child is going to be absent, giving a reason for the absence.

Lateness - If your child's attendance drops below 90% due to unauthorised absence or persistent late arrival, you may receive a letter of concern.
