

# Mount Street Junior School

## MISSION STATEMENT

Mount Street Junior School aims to provide every child with an experience which is enjoyable, stimulating and safe, enabling them to reach their full potential. We do not set limits on what our children can aspire to and achieve.

We care about our pupils and want them to feel safe, respected and ready to learn. We ensure our school is friendly, welcoming, active, vibrant and inclusive. We know that school can be a challenge for many young people and recognise our role in supporting them.

We also endeavour to develop confident, kind, independent learners in an ever-changing world where mistakes are understood to be positive learning experiences.

Pupils, parents, staff and governors have contributed to the writing of this statement.
