Mathematics and Numeracy

<p>Data Handling Use the internet to find the daily temperature in the Amazon Rainforest for a week</p> 	<p>Data Handling on J2 Launch. Now you have collected your temperatures for a week, use J2E/or paper to create a graph of your results.</p>	<p>Shape Watch this video to help you remember the 3D shapes - https://www.youtube.com/watch?v=2cg-Uc556-Q</p> 	<p>Reasoning: Fairtrade banana- 53p each Fairtrade orange- 49p each Fairtrade pineapple- £1.13 each Fairtrade avocado- 86p each.</p> <p>Joe buys 6 pieces of fruit and spends exactly £5.00. How many of each of the above fruits does he buy?</p> 	<p>Times Tables Practice times tables using top marks maths https://www.topmarks.co.uk/mathsgames/hit-the-button You can also use this link to practise doubling, halving, number bonds and division facts</p>
---	--	--	---	--

Science and Technology				
<p>Layers of the Rainforest The Rainforest is broken down into 4 layers, each layer has a different name and different animals that live there. Can you research the layers.</p>  <p>3D Geography</p>	<p>Now you have researched the layers of the canopy list at least 3 animals that live in each layer?</p> <p>You can use this template to help.</p> <p>Template</p>	<p>Use JIT Paint to draw your favourite animal in the Rainforest. Is it a monkey? A toucan? A sloth? You choose.</p> 	<p>Take time out to have a look at this video about the Rainforests of the world.</p> <p>https://www.bbc.co.uk/programmes/p003vpd7</p>	<p>The Rainforest is in danger of being destroyed. Research areas of the rainforest in the Amazon and Madagascar to see what is happening to the animals. Look particularly closely at the orang-utans.</p> 
Health and Wellbeing	Cymraeg	Humanities	Expressive Arts	
<p>Think how you would feel if you were being pushed out of your home like some of the animals of the Rainforest.</p>	<p>Writing</p> <p>Now you have learned a lot about the animals of the rainforest choose one to describe in Welsh. Where do they live? What colour are they? What do they eat?</p>	<p>Geography</p> <p>Where are Rainforests? Rainforest are found on every continent in the world. Find a world map and find out where they are. You can use Google maps to help.</p> 	<p>Art</p>  <p>Watch the first 5 minutes of this video. Can you copy the artist and draw an animal?</p> <p>https://www.youtube.com/watch?v=H2RSCtI6GnE</p>	<p>Music</p> <p>Listen to the "Carnival of the Animals". Without looking at the screen, can you guess which piece of animal is which music?</p> <p>https://www.youtube.com/watch?v=1L993HNAa8M</p>

Blended Learning - Year 3/4

Topic - Rainforest

Week Commencing:

Language, Literacy and Communication

Reading

Read and complete the reading comprehension based on deforestation - the cutting down of trees in the Amazon rainforest.

Reading/writing

Choose an animal from the Rainforest. Create a fact file about one of them.

Reading

Find a book about animals and read a few pages to a family member. Ask for help with any tricky words.

Writing

Find an animal from every letter of the alphabet. Use a dictionary to help with your spelling. Good luck!

Spelling

Testy Tuesday words

Mathematics and Numeracy

		<p>How can we help stop the deforestation in the Rainforests around the world?</p> <p>Write down any ideas you may have.</p> 	<p>Use any resources you may have at home to make an animal bookmark. Choose your favourite animal.</p> 	<p>Listen to the "Carnival of the Animals" again. This time concentrate on which musical instruments you think are being played. Why do you think the composer has used those instruments to describe the animals.</p>
