

## **Hendredenny Park Primary School Twitter Policy**

***Tweet as you would want to be tweeted***

### **Rationale**

The rationale of this policy is to explain acceptable use of Twitter relating to the Hendredenny Park Primary School handle @Hendredenny Parkschool for staff, children, parents and governors. The policy will therefore aim to explain the purpose of Twitter at Hendredenny Park Primary School and the benefits that will arise from its proper use, and also deal with any potential pitfalls from using a Social Media.

### **Aims of Using Twitter**

- To quickly share and celebrate children's and school achievements, successes and updates.
- To demonstrate safe and responsible use of social media
- To promote Hendredenny Park as a forward thinking and progressive school through our use of 21st Century technology

### **What is Twitter?**

Twitter is used primarily as a method of communication made up of 140 characters called a 'Tweet'. Tweets are an answer to the question "What are you doing?" Tweets tend to reference people, places, and/or activities to which the said referee can respond. Tweeters either directly reference another person or broadcast information to which others can reply and respond.

Twitter users are able to follow or be followed. To follow somebody/thing ensures that all of their activity and comments appear in the followers news feed. The obvious benefit of having followers is that the information you broadcast is instantly distributed into their news feed. Users can also private message each other when they don't want conversations to appear. Hendredenny Park Primary School will not enter into private discussions with others.

### **What is the primary purpose of the Hendredenny Park Primary School Twitter Page?**

The school Twitter page will be used principally to be followed by staff, parents and other professionals in order to advertise the excellent work by staff, children, parents and governors.

Similarly, it will also contain information detailing special events in school. The aim of this is to run alongside more traditional methods like sending home letters, and not to replace it.

### **Who controls content for Hendredenny Park Primary School?**

The uploading of content for the twitter page will be controlled by the class teachers and Headteacher and E-safety Leader.

### **Who can follow Hendredenny Park Primary School?**

Hendredenny Park Primary School will encourage teaching staff (at Hendredenny Park and other schools), Governors and parents (of Hendredenny Park children) to be followers. At Hendredenny Park Primary School we are fully committed to the safety of all children and the Head teacher is Designated Person for Child Protection.

The school Twitter account will be a Public account (September 2015). The Head teacher and E-safety Leader will monitor the followers and block any who appear to not be school focused.

### **Who will Hendredenny Park Primary School follow?**

In order to protect itself from inappropriate content being distributed into its news feed, Hendredenny Park Primary School will only follow other users who have obvious benefits to the school (e.g. other educational establishments or organisations who work with children, local media). These will be decided on a case-by-case basis at the discretion of the Head teacher and E-safety leader.

Hendredenny Park Primary School sees itself more as a distributor of information to those who follow it and not as a receiver of information.

### **What is inappropriate content and referencing and how will it be dealt with?**

Hendredenny Park Primary School welcomes any referencing, mentions, or interactions that share the success of the school community. Therefore, Hendredenny Park Primary School deems any of the following as inappropriate:

- Offensive language or remarks aimed at the school, its staff, parents, governors or others affiliated with the school;

- Unsuitable images or content finding its way from another's account into the school Twitter feed.
- Images or text that infringe upon copyright;
- Comments that aim to undermine the school, its staff, parents, governors or others affiliated with the school.

Any inappropriate content will be deleted and its users will be removed, blocked, and, depending on the nature of the comment, reported to Twitter. Furthermore, incidents of a more serious nature may be reported to the appropriate authority.
