

### *Summer Fun Project: Little Explorers*

The children have been busy at home, but you and your child/children have not been able to venture outside the 5 miles due to Lockdown. During the summer break I am sure that you will be able to venture further. These are some suggestions that you can do whilst you are out exploring.

It would be lovely to see your adventures on our Facebook Page. I will only be updating this every Monday during the Summer Holidays. I am looking forward to seeing your fun times!

It is with sadness that I have to say goodbye to Miss Williams. She is going to start a new adventure training to become a teacher. I would like to thank her for her hard work and being an amazing colleague. I know that she will be missed by the staff and all of the children. So good luck and keep in touch!

Have a lovely Summer break and stay safe

From Ms Hayward, Miss Davies and Miss Williams
