

Dear Parent/Carer,

Thank you all of your support this term. I am really pleased to see so many adults wearing face masks and socially distancing at our school gates. This is helping everyone to stay safe.

### Christmas 2020

We are unable to provide the usual Christmas in school this year, but we will continue to plan Christmas activities for the children in their classes.

- Christmas parties will happen in their class bubbles– we will ask you to provide a small plate of food /drink for just your child. Dates to be confirmed.
- Christmas lunch– Christmas dinner will be on Thursday 10th December– if you haven't already sent in your request for dinner please contact the school office immediately.
- Christmas concerts– unfortunately we cannot plan our usual wonderful concerts for Christmas and invite you all to join us, however we will not leave Christmas go without celebrating it in a different way. Each class will create their own items and we will share this on a newly created Youtube channel. You will be sent a link to see this private channel.
- Christmas door competition– last year the children really enjoyed decorating their own class door and entered it into our school competition. Lets see if Mr Hawkins will win again???
- Our children will be making Christmas cards for our friends and residents at Dan-y-Bryn residential home and hopefully walking over to wave to them through the windows.

### Dates for your diary

School finishes on Friday 18th December 2020 and children return to school Tuesday 5th January 2021

### New school proposal

We are sending out a paper copy for parents and the community to have their say about the proposal for the new school. They can be returned to school. You can also complete this online at:

### Covid 19

Thank you for supporting our school and the Local Authority advice on the strict protocol for Covid 19.

Our direct email to report a positive Covid test result is: covid.llangiwgprimary@npt.gov.uk. This is checked out of hours.

Yours sincerely, M Woodham, Headteacher
