

Dear Parent/Carer,

We have had a great few days settling back into our routines and the children have been amazing. We are hearing that the children have enjoyed their summer and have been able to do so much more than last year with all of the restrictions being eased.

They have settled into new classes really confidently and seeing their smiles around the school is brilliant. Let's hope we have a seamless year without any more interruptions.

Data collection sheets and medical forms.

Your child will have come home with these forms. Please complete all sides of the form and keep us up to date with any changes throughout the year. Our texting service must have any new mobile numbers so that you're always kept in the loop.

Known pupils who have medical needs will need to review their medical forms. If you feel you need to complete a medical form for your child, please contact the office for a form to be sent home with your child.

Covid-19

We are still adhering to our risk assessment and procedures from last year. We are remaining in bubbles in school, regular handwashing and class cleaning, staggered start and end times. We remain wearing face masks around the school site and would appreciate parents continuing to wear masks at the school gates. And when coming to the main doors. Sadly, our local area has extremely high rates of Covid and we need to keep our young people and unvaccinated adults safe whilst attending school.

We still ask parents to keep children home if your children presents with the main 3 symptoms of Covid and if your children feels generally unwell. Children who have symptoms must have a negative PCR test result and we would appreciate that being emailed to the school office llangiwg@npt.school before your child can return to school.

Children with sickness or diarrhoea must stay away from school for 48hrs from the last episode.

Covid 19

Thank you for supporting our school and the Local Authority advice on the strict protocol for Covid 19. Our direct email to report a positive Covid test result is: covid.llangiwgprimary@npt.gov.uk. This is checked out of hours.

New Facebook class pages

Teachers will have created new Facebook pages just for your child's class. Please join to keep up to date with school life and activities that we will be planning. The new names for these will be shared shortly.

Lateness

We understand that on some occasions children may be late arriving to school. It is very important that they arrive on time and start the day positively. Our lateness is being monitored by our EWO.

Healthy lunches, health minds and bodies

Children are encouraged to bring a labelled bottle of water to school to drink throughout the day and these can be refilled in school. The children have regular access to them in class.

We will not be allowing pupils to bring sugared drinks, squash, energy drinks, milkshakes etc to be consumed in the classes. Please support us by making a difference to the children learning and concentration levels.

Dinner money and snack money

Please can all money be placed in a sealed envelope, clearly named for the office staff. Loose money will not be taken.

Thank you for the continued support to staff and pupils,

Yours sincerely, M Woodham, Headteacher
