RE: School Structure 2019//20

28th June 2019

Dear Parent/Guardian,

In the May Newsletter (Friday, 3rd May 2019), I wrote to you regarding the school structure for 2019/20. Since writing, we have admitted many new pupils to school. Therefore, there has been the need to reconsider the planned structure. As a result, the following will apply for 2019/20:

Nursery*/Reception – based in the Early Years Unit

Year 1/2 – Infant Building

Year 3/4/5 – Junior Building

Year 5/6 – Junior Building

LSC 1 – Infant Building

LSC 2 – Junior Building

* Further information for parents of nursery pupils will follow shortly.

The children will meet their new teacher on the morning of Tuesday, 9th July 2019. This will provide the pupils with ample opportunity to ask any questions and prepare for the new year.

We are delighted that many families are choosing us for their child's education. The school sincerely hopes the alteration to the school structure for 2019/20 will allow the school to grow even further.

Yours Sincerely,
