

- Activity two- Topic

WALT: identify and locate oceans of the world.

Watch the videos on this page -

<https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/zmqwscw>

Use the attached power point, google maps, google earth and maps / atlases in your house to read about and explore the 5 oceans.

Use the attached powerpoint, the internet or books to find the answers to the quiz questions!

1. How many oceans are there?
2. What is an ocean?
3. Which ocean is the biggest?
4. Which ocean is the smallest?
5. What is the mid-Atlantic ridge?
6. Which ocean is the coldest?
7. Which ocean touches Africa and South America?
8. Which ocean is home to blue whales and emperor penguins?
9. Which ocean is home to turtles?
10. Which ocean is home to the Polar bear?

- Extension.

The information about the Indian Ocean (power point) says that 'endangered animals such as turtles' live there.

What does 'endangered' mean?

Additional activities.

- Watch these clips to further explore the oceans
