Making ladybirds!

Click the picture to find out how to make ladybirds from toilet rolls, card, felt tips, glue and red and black paint:

Why not make some more using different sized rolls to make big and small ones. You could use kitchen roll for a really big ladybird and could cut a toilet roll in half to make a really small one!

Please take a picture of your finished ladybirds and email to me at:

timminss@hwbcymru.net

I can put pictures up on ClassDojo for your child to see their own and others' creations. If you aren't on ClassDojo yet, please email me so I can send you the link.
