

Thursday 21st May.

Please complete work / drawings / art work / printed off images in the purple book provided.

Please write the date and the WALT before you begin the work.

- **Activity 1- Maths**

WALT: find the difference between two lengths in cm.

See the attached sheet group 1, 2 and 3 activities.

Extra measuring activities can be found here -

- <https://www.topmarks.co.uk/maths-games/5-7-years/measures>
- <https://www.topmarks.co.uk/maths-games/7-11-years/measures>

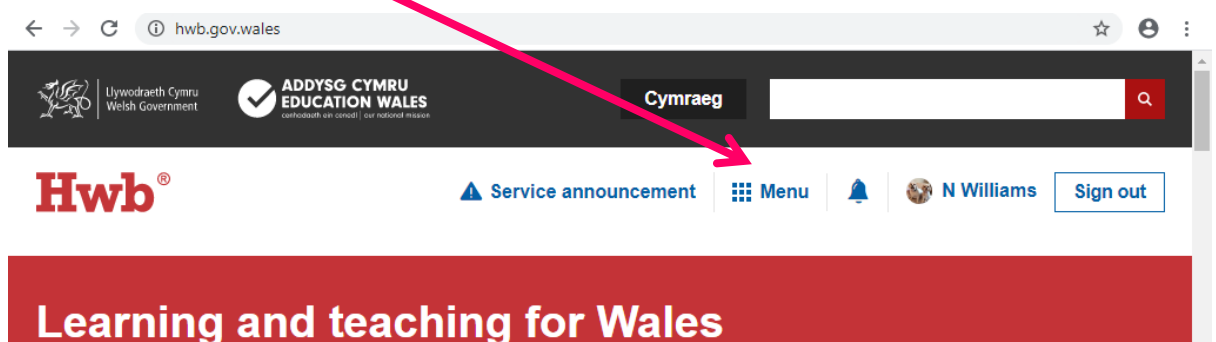

- **Activity 2- Welsh and ICT.**

WALT: make a block chart using ICT.

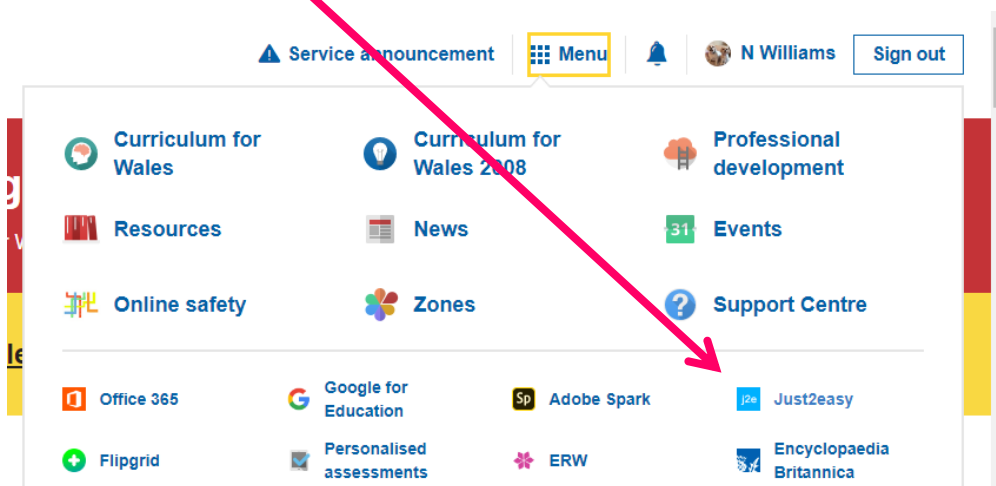

Use the Welsh colour tally chart you completed on 23rd April to make a block chart on j2e.

Instructions for hwb.

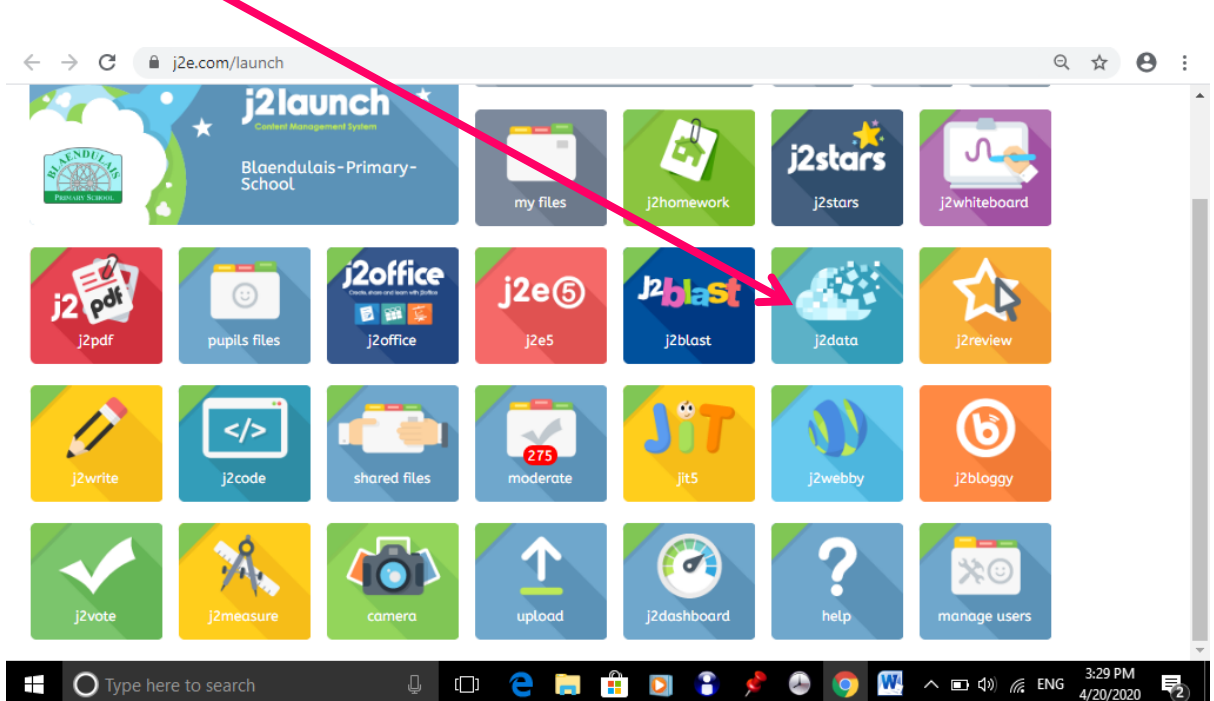

1. Load your internet page and type in www.hwb.gov.wales
2. Log in to your hwb account using your username and password. Hover the mouse over the waffle icon

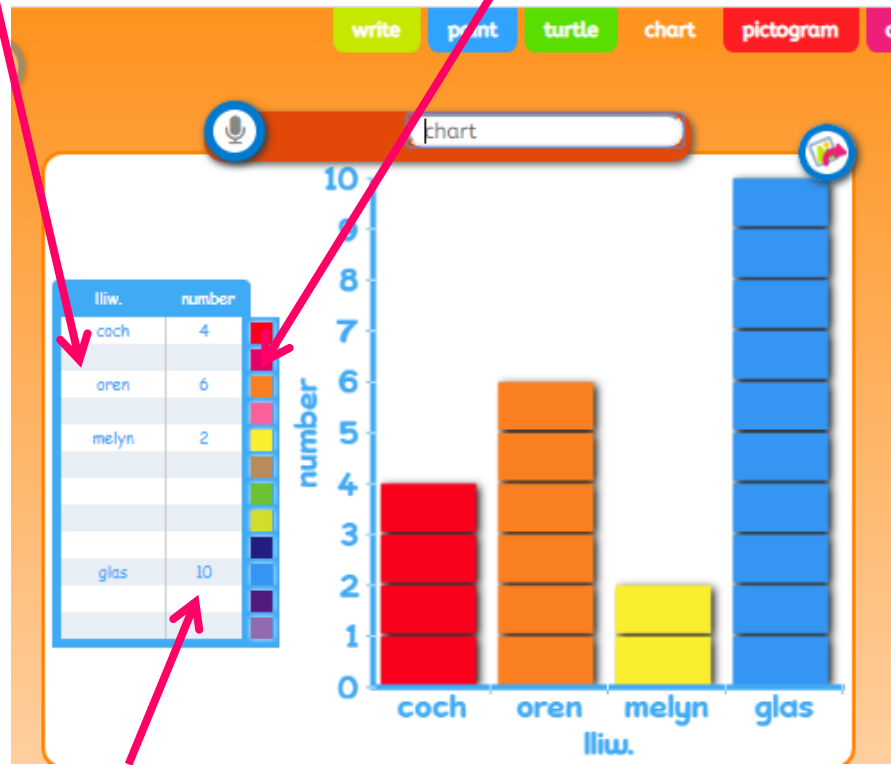

3. Select Just2Easy (blue square icon)

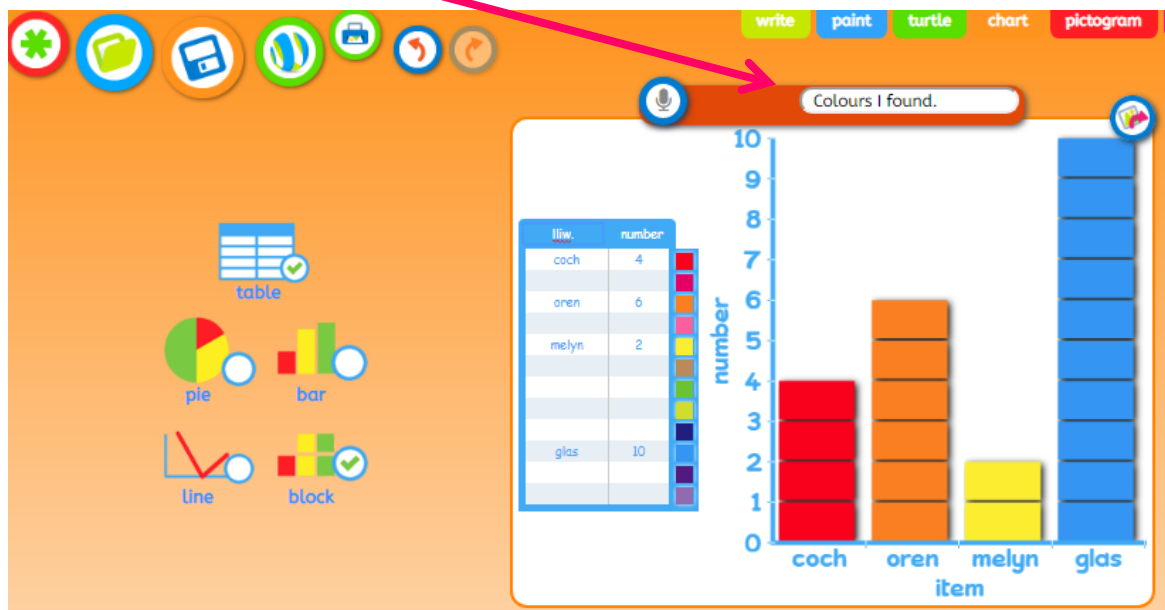

4. Then click on 'J2data'

- Choose **AT LEAST 4** colours from the table you completed on 23rd April.
- Re-name the first column 'lliw' - which means colour.
- Add the name of the colours in Welsh next to the correct colour square.

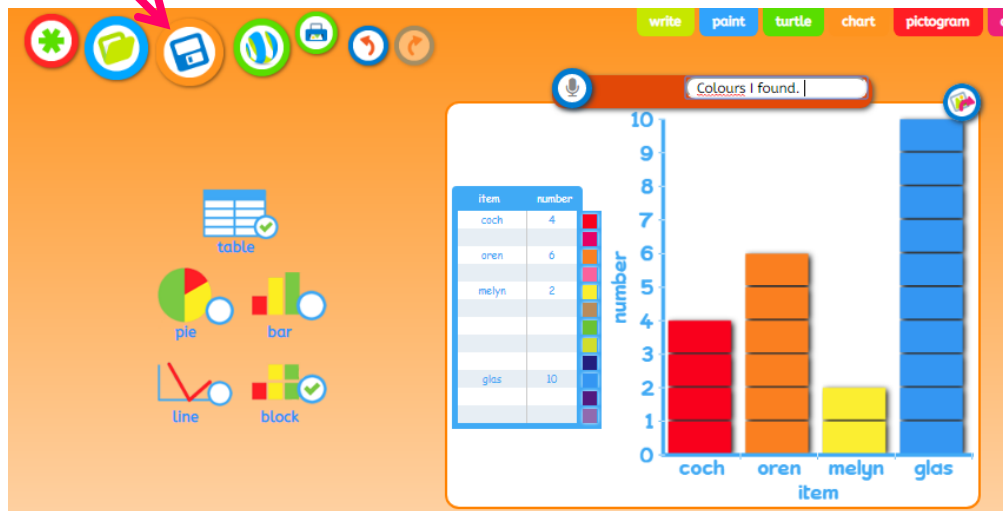

- Then add the number of objects you found for each colour.
- Add a title to your block chart.

12. Well done!! You have made a block chart!

13. Now save your work by clicking on this icon -

Challenge -

Read information from your block chart and answer the questions.

Which colour had ...

- The most objects/items?
- The least objects/items?
- the same number of objects/items?
