

Thursday 4th June

Please complete work / drawings / art work / printed off images in the purple book provided.

Please write the date and the WALT before you begin the work.

- **Activity 1- Maths**

WALT: understand fractions.

Make the following out of playdough, paper, card or anything else you can find.

- A circular pizza
- A square cake (10cm x 10cm)
- A rectangle chocolate bar (15cm x 5cm)

EQUAL means the **same size**
(calculate half / quarter / fifth
of the shape's measurement)

Use the posters attached to cut the...

- Pizza into equal thirds
- Cake into half, then equal quarters
- Rectangle bar into equal fifths

Take pictures to save of J2E, send to me or print them for your book 😊

**Group 1 - please see optional activity on additional sheet

- **Activity 2- Science**

WAL: about the life cycle of a plant.

Watch the video -

<https://bbc.co.uk/bitesize/clips/z3wsbk7>

Choose to **complete at least one** of the following activities-

- **Activity 1** - See attached sentence sequencing.
- **Activity 2** - Cut and stick the life cycle of a plant.
- **Activity 3** - Use playdough or drawings to show the life cycle of a plant.
Remember to make/draw the following -
 1. A planted seed
 2. Water for the seed
 3. The seed with roots and shoots,
 4. The stems with leaves and flowers
 5. The seeds within the flower that can then be planted again.
