

Welcome to LSC2

Mrs Williams

Mrs Evans

They give us lots of work and we have lots of fun.

You will also see Mr Phillips and Mrs Wheadon around the junior building.

## Our Classroom

First you come into the yard and play, then you line up and go in when the teacher tells you.

You put your coat in the cloakroom. This is where the toilets are. There is one cloakroom for boys and one for girls.

We also have a small bathroom we can use. We call it the BIG bathroom.

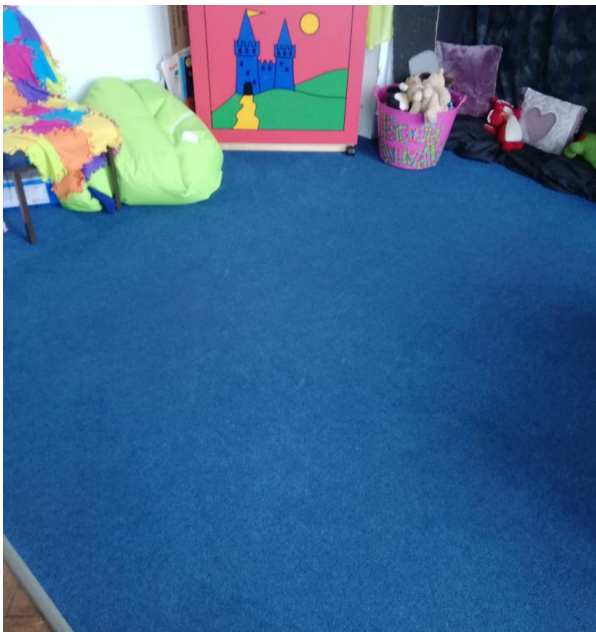

We line up outside the classroom before going in.

When you come into class you sit on the carpet. The lead learner sits on the bean bag. The lead learner calls the register and we say 'Bore Da' or 'Prynhawn Da'.

If you read your book you will get class dojo points.

We do lots of work with our teachers. There are challenges too which you do on your own.

On a Friday we do Funky Friday and we get to choose what we do.

In assembly we all sit together in the hall.

At playtime we can play with our friends. There is a fruit shop where we can buy fruit. We line up when the bell goes.

At lunchtime we get to play until we are called in. We line up, sit down and eat. If you are school dinners you will collect a tray with your knife and fork to get your food. After you have eaten you can play when the teachers tell you to.

When we come back into class from dinner we listen to music and watch dolphins and fish swim in the sea. It is very relaxing!
