

Distance Learning LSC1 Week Beginning 8.6.2020

Phonics/Literacy

Have a look at this week's story here:

<https://www.youtube.com/watch?v=VpJumAZx1t8>

The tiny hermit crab loves his new shell and doesn't want to share it at first in the story. Have you got a favourite toy that you really love and find hard to share? Can you draw a picture of it and write about what makes it special to you?

The hermit crab shares his home with his friends. Who do you share your home with? Can you draw a picture of your home and write about who lives in it with you?

Keep practicing your phonics with the games here:

<https://www.phonicsplay.co.uk/#>

Numeracy

Continue to practice counting. What toys and objects can you find to count?

What shapes can you name? Find circles, squares, rectangles and triangles. Cut some different shapes out and make a picture of our crab and his friends.

Think about what patterns might be on the shell. Can you make a new pattern? What colours would you choose? Think about helping the crab to hide in the sand.

Creative

See if you can design an even bigger shell for the hermit crab and his friends to share. Add some labels to describe the new design.

Create some puppets of the crab, anemone and bristleworm. Could you use these to perform the story to an audience?

The rockpool is the habitat where the 3 sea creatures live. Can you research rockpools and find out what other sea creatures like to live there?

Could you make your own mini rock pool? This could be real with water and rocks, or use a paper plate to create a 3d picture.

Lego/building challenge

Design (and build) a new home for the three creatures to share. What rooms would you include for them? I guess they'll need a swimming pool!

Physical/Outdoors

The bristle worm is really good at looking after the shell and keeping it clean, to make it feel like home for his friends. How do you help take care of your home? Help out with some jobs - maybe you could tidy your toys, do the washing up or help to Hoover.

Keep moving and exercising, maybe you could try a new sport or activity this week.

If you have any questions you can contact me through the ClassDojo app or leave a message at school.

Have a good week.

Stay Safe.

Mrs Totterdale
