Dear Parent / Carer,

Re: Year 6 Transition

The coronavirus pandemic this year has disrupted many aspects of our lives. Many of the transition events that were planned for your child were cancelled, which was a real shame. We really hope however that you have been happy with the support that has been put in place via twitter, correspondence and Google Classrooms to support your child's move to Llangatwg School in September.

In moving forward, we are delighted to announce that in partnership with the **Swans Community Trust**, we have arranged an additional transition day for your child before the start of the autumn term in September. Swans Community Trust have been a partner with Llangatwg School for 6 years, delivering educational activities that have been enjoyed by pupils across all year groups. Working together, we are excited to be able to offer the 'Moving Up' project to help make the move to secondary school for your child that little bit easier. It will be an engaging day, filled with fun practical and classroom-based activities, all aimed to build confidence, encourage teamwork and help them get to know their new school and classmates. It will be suitable and enjoyable for all, whether they are passionate football fans or not.

In the recent 'Children's Commissioner for Wales' Corona Virus and Me' report, 75% of year 6 pupils stated they wanted to visit their secondary school before term starts in September. The Premier League Primary Stars and Premier League Inspires teams are coming together, and partnering with Llangatwg staff to help make that a reality for your children this August.

All activities that have been planned consider social distancing and the current government safety guidelines and will follow the same robust systems that are currently in place for the learners at Llangatwg School. The dates for the additional transition days are as follows:
