Year 6 Virtual Open Evening – Wednesday 6th October 2021

Dear Parent / Carer,

Choosing the right school for your child's secondary education is an incredibly important decision. We would usually invite you into Llangatwg for a tour and to meet key members of staff who would be working with your child should you choose Llangatwg School as their secondary school.

Due to ongoing concerns with Covid-19, we are unfortunately not able to run these tours as we would usually, and so have planned to host a virtual transition evening. This will take place via Microsoft Teams on **Wednesday 6th October at 5pm**. The talk will last around 1 hour, and during this time we will discuss what we as a school are able to offer, and to give you the opportunity to ask any questions that you have about Llangatwg School.

Below you will find a QR code that you are able to scan using a mobile device, and will take you directly to the meeting. Alternatively, you can go onto our school website where you will see the link in the news section. The link can also be found on our twitter page (@LlangatwgSchool). During the presentation we aim to discuss many of the areas of school life, however if there is something that you would like to know that has not been discussed there is a question section, where you are able to ask question and we will spend some time answering these at the end of the talk.

We look forward to meeting with you soon, however we also have some information about transition on our school website, at <https://www.llangatwgcommunityschool.org.uk/Transition/>

If we are able to help with anything in the meantime then please feel free to contact the school, where Mr. Barnes (ALN and transition coordinator) will be able to help you.

Kind Regards,

Alan L. Rowlands
Headteacher

Scott Barnes
ALN and Transition Coordinator
