

St Mark's C.E. Junior School

Parents' Evening
October and July
Parents' Map

Please Note: Waiting Areas are set aside for parents to sit and look at their own children's work. Parents are respectfully reminded not to look through other children's work. Teachers will 'collect' parents from these areas. Please be there five minutes before your allocated appointment. Children should wait sensibly in the waiting area whilst parents see the teacher. Thank you.

Mr Flemington and Mrs Hallett will be available in the school throughout the session at the crossroads – outside the HT's office. Free coffee, tea etc will be available for parents only.
