

Gnoll Primary PTFA

Hello and welcome to our autumn
2018 newsletter.

Autumn Term 2018

The PTFA is made up of everyone who has children and grandchildren in the school. We all have an important role to play big or small in raising funds to benefit all of our children.

These newsletters will be to thank you and show you where your support has gone plus information on future exciting events for your children.

The last term saw lots of fun activities that the children thoroughly enjoyed. Our spring event was a mad hatters tea party where the children were exported to a wonderland of arts and crafts with plenty of fun.

We enjoyed watching the children take part in their sports day and lots of refreshments were bought, together with the sale of tip tops after school we have made just over £500

The school fete was a massive success and the weather this summer was thankfully kind to us. Thank you all so much for attending and we hope all the children enjoyed and maybe even got to stroke a Meerkat.

We hope all the children and yourselves have had a lovely summer break and would like to welcome all new pupils and their families to the Gnoll.

The PTFA are already planning the next set of fun activities for the pupils.

We wanted to express our thanks at how much you have all supported the events and hope you are all looking forward to the year ahead!

Our end of year disco was enjoyed by all and having it outdoors certainly helped us to all get in the mood for summer.

We hope the year 6 enjoyed their send off.

The feedback we receive from the Christmas cards is that it is something you all love and look forward to, so you will be pleased to know that once again the children will be producing some fantastic Christmas art work to purchase. Last year we raised £240.

As always, all the money raised will go towards supporting the children, watch this space for this year's project!!

Meet our PTA family,
