

School Bus Charter Rules

Stand well back from the curb and wait until the bus stops.

Do as the driver or bus monitor tells you.

Be polite.

Find a seat and sit down straight away. Stay sitting down.

Do up your seatbelt and keep it done up until the bus completely stops.

Keep your arms and legs to yourself and do not kick or hit the seats, bags or anyone else.

Never distract the driver. Remember to talk quietly and do not shout out.

REMEMBER you are from Cradoc School and we expect you to behave as well on the bus as you do at school.

We all agree to the Bus Charter Rules:
