

Cradoc School E-safety Charter 2015

1 I will keep my age, telephone number, address, name/location of school, parents' work address/telephone number private.

2 I will report any information that makes me feel uncomfortable to my parents or my teacher.

3 I will never agree to get together with someone I "meet" online unless my parents agree and come with me to meet them in a public place.

4 I will never send a person my picture, my friends picture or anything else or load them to a website or social media site, such as snapchat, without first checking with my teacher.

5 I will never respond to any mean or unkind messages and I will tell my parents/teacher if any messages make me feel uncomfortable.

6 I will set up rules for going online with my parents about the time of day, the length of time and appropriate areas for me to visit - and stick to them!

7 I will never give out internet or Hwb+ passwords to anyone (even my best friends) other than parents or my teacher.

8 I will check before downloading or installing software or doing anything that could possibly hurt the computer or jeopardize my family's or school's privacy.

9 I will be a good online citizen and do not do anything that hurts other people or is against the law.

10 If I bring a tablet to school, I will only use it for reading or uses my teacher agrees to. I will not take photographs of children or adults at school and will not play games or access the internet without permission from my teacher, including at playtimes.
