

Annwyl Pawb

I start this week with a thank you to Penpont, who have once again donated a glorious Christmas tree to the school. They have been doing so for many years now and it is very much appreciated. Thanks also to the school staff who have spent their free time decorating the school over the last few days, especially to Ruth Davies for organising everyone and making sure it is not too messy!

The annual Christmas arrangements letter came out earlier this week, including the order form for Christmas Concert tickets. Please ask at the office if you have not received one.

The December 100 Club Draw will take place this year at the evening performance of the Christmas Concert. In order to stand a chance of winning you will need to complete and return the membership forms by Friday 9th December. Forms available at the school office.

At the time of writing, Beech Class and 3@Cradoc are getting organised to go to the theatre today to see The Emperor's New Clothes. Thanks to the adult volunteers for going with them. I am sure you will have a great time and I look forward to hearing all about it.

Cofion/regards - Judith Morris

Monday 28th
November

CHRISTMAS TREE DEDICATION SERVICE at 9.30am

Thank you for your generous donations and very poignant messages and dedications ready for the service on Monday.

Look forward to seeing you there.

FRIENDS OF CRADOC

As we mentioned last week, this year we are making up **themed class hampers**. We would be grateful for donations of the following please:

- Beech Class : Toys
- Elm Class : Chocolate
- Hazel Class : Toiletries
- Lime Class : Christmas (eg crackers, baubles, ...)
- Oak Class : Savoury
- School staff : Alcohol (great allocation!!!)

You should have received the Christmas Draw tickets this week. Please could you return sold and unsold tickets to school by Tuesday 13th December. If you need more, please ask at the office.

Did you know the school newsletter is distributed to over 100 families in school, but also to many other members of the communities of Yscir, Brecon and beyond.

We are offering you the chance to advertise your business details and logo for a week on the newsletter for the **fantastic value of just £10.**

If you would like to take advantage of this, please speak to Helen or Liz in the school office or email in your business logo and requested text to office@cradoc.powys.sch.uk.

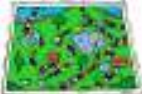

MATHS OF THE MONTH (NOVEMBER) : TEMPERATURE

As we are now heading so quickly into Winter, this month's maths is about temperature. Practicing some of this with your child at home over the month will help them gain a good understanding of temperature in a natural, purposeful way. Thank you for your support.

YN	Use direct comparisons when describing temperature, e.g. hot/cold
YR	Use direct comparisons when describing temperature, e.g. hot/cold
Y1	Use descriptive words for a range of temperatures, e.g. cooler/warmer
Y2	Compare daily temperatures using a thermometer (°C)
Y3 & Y4	Take temperature readings using thermometers and interpret readings above and below 0°C
Y5 & Y6	Calculate temperature differences, including those involving temperature rise and fall across 0°C
Challenge	Convert temperatures between appropriate temperature scales (eg Celsius to Fahrenheit etc)
