

Annwyl Pawb

I have to start today with the fantastic job the children did in the concerts yesterday. I never cease to be amazed at the talent and confidence the children show in these circumstances and they certainly did not disappoint yesterday. Great thanks to everyone involved in making the shows a success, but especially to Mrs Carol Hughes, Mrs Ruth Morris and Mrs Emma Prosser, who have all worked so very hard to make sure the children had the chance to shine. Thanks to all the families and friends for their very kind comments. We would love to hear your thought about holding the event at the High School another year please.

Please look in your child's bookbag today for their Traffic Light Attendance letter. It was fabulous to be able to give out 85 green letters for those children who have attendance above 95% this term. Da iawn a diolch.

Thank you to everyone who voted in the parent Governor election this week. I can confirm that Mrs Rhian Dillon has been elected - llongyfarchiadau Rhian. We now have a full complement on the Governing body and I would like to thank them for all the hard work they do on behalf of the children and school as a whole.

On behalf of the Staff and myself, I take this opportunity to thank everyone for their Christmas Cards and Gifts. You have been very generous and it is much appreciated. Thank you.

Nadolig Llawen a Blwyddwyn Newydd Dda.

Cofion - Judith Morris

School Dinners - Week Beginning 4th January 2017

Day	Main Meal	Vegetarian Option
Monday	BANK HOLIDAY	
Tuesday	INSET DAY

MATHS OF THE MONTH (DECEMBER) : TIMES TABLES

This month we are having a real push on trying to improve times tables. They are a foundation for so much work in maths and in general calculations. We set out below a guideline but please check your child's pick'n'mix homework for further ideas. Thanks for your support.

YN	I can compare and order numbers to at least 5.
YR	I can compare and order numbers up to at least 10.
Y1	I can count in 2s 5s and 10s
Y2	I can remember and use 2, 5 and 10 multiplication tables.
Y3	I can recall 2, 3, 4, 5 and 10 multiplication tables
Y4	I can recall 3, 4, 6 and 8 multiplication tables
Y5	I can recall 6, 8, 7 and 9 multiplication tables
Y6	I can recall all multiplication tables up to 10 x 10, in any order and mixed up!
