

Annwyl Pawb
Phew it has been a hot week!

All of the classes have been involved in "Rich Tasks" this week which involve problem solving, team-working and activities designed to help the children re-inforce and embed their skills. The tasks have been based on the Queen's 90th birthday. There have been so many different activities going on, including constructing lego horses and carriages, writing newspaper articles, choreographing dances and the 3 year olds have even been designing The Queen's Knickers (based on the Nicholas Allen book)! The event culminated in our Grand Royal Birthday Party yesterday. The children really enjoyed it. Thanks to Mrs Owen and Mrs Salisbury for preparing all of the food and to the families that kindly loaned their bunting.

Very many thanks to everyone for bringing in their coppers earlier in the week. The Crîw Cymraeg laid these out on the playground to form a dragon – please see the photo in the Welsh corner.

On Wednesday the year 5/6 girls went to Brecon Cricket Club to take part in the South Powys Girls Cricket Festival. The girls thoroughly enjoyed it and the organiser said it was fantastic to see so many girls enjoying playing cricket.

The forecast suggests super weather again next week! Please can you make sure your child brings a sun hat and sun cream into school every day. Thanks.

Cofion/regards
Judith Morris

School Dinners - Week 3

Friday	3.30 to 4.30	Cricket club	Mrs Haikala and Mrs Annette Morris

FRIENDS OF CRADOC

Friends of Cradoc School Grand Summer Fayre planning meeting on Tuesday 14

June at 5.30pm at School. Everyone welcome.

Parent Information Evening

Thursday 23 June @ 3.30pm

We believe that school and parents working together will help the children learn. Come along and find out how we are helping children learn how to learn and the role you can take in supporting that at home. Find out what those phrases your child has been saying (eg visible learning, growth mindsets, the learning pit) are all about.

Cornel Cymraeg / Welsh Corner

All of the words this time relate to The Euros.

GEIRFA (GUY R FA)	VOCAB
pêl-droed	football
C'mon Cymru	C'mon Wales
chwarae mantais	play the advantage
seren y gêm	man of the match
Pasai fe at Bale!	Pass it to Bale!
camsefyll	offside
Ccc gosb	penalty
Beth yw'r sgôr?	What's the score
swmpus	awesome

Crîw Cymraeg

Diolch pob! We will let you know how much was raised next week!

Kids Club is

Oak	Mac Lewis Eryn	For thinking outside the box during the Royal party games For awesome knowledge about the Royal family during the quiz For her generosity donating her coppers

MATHS OF THE MONTH (JUNE) – CAPACITY

We set out below what a child is likely to be able to do in each year group. Please practice some of these with your child each week for this month. Thank you for your support.

YN & YR	• Compare the capacity of two objects, eg Does the bucket hold more or less than the bottle?
Y1	• use non-standard units to measure capacity, eg the bucket holds how many jugs of water?
Y2	• Measure capacity in litres.
Y3	• measure to the nearest 100ml.
Y4	• measure capacities to the nearest 50ml or 100ml
Y5	• make use of conversions, e.g. ¼ of a litre = 250ml.
Y6	• use the language of imperial units in daily use, e.g. miles, pints.
Ext	• convert between units of the metric system and carry out calculations.

DIARY:

Monday May 30 • HALF TERM	Tuesday May 31 • HALF TERM	Wednesday June 1 • HALF TERM	Thursday June 2 • HALF TERM	Friday June 3 • HALF TERM
