

Annwyl Pawb

Well done to the girls Cricket team, that competed at Radyr yesterday. They did extremely well and came joint third in the whole Wales competition. Bendigedig pawb.

Our considerable thanks to the Woodland Trust for the oak trees they donated a few weeks ago, and to Geraint Price for organising them for us. Thanks also to Geraint for repairing the foundation phase adventure playground – the children are so pleased and have been making great use of it in this glorious weather.

Unfortunately we have recently received complaints from our neighbours about difficulties with parking. It seems that some parents have again taken to parking on neighbours drives and blocking their garages. When challenged some of our parents have then been rude and sworn at the householders and one parent has been highly abusive. Please can I stress that our neighbours have been very tolerant and, despite not having children at our school, support us very well indeed.

I do realise that finding a parking space is a considerable difficulty at the moment. The work on our new car park has now started, is progressing well and on track to be completed by September. In the meantime, please can everyone consider other members of our community when they park.

At the time of writing, the children are eagerly awaiting today's sports day. There are hoops and spuds everywhere!

Cofion/Regards - Judith Morris

## School Dinner Menu - Week 2

|      |   |                           |

Back next week**

**MATHS OF THE MONTH FOR JULY AND AUGUST– MONEY**

Using money is a skill children do not get to do very often these days. Please encourage your children to pay for their ice-creams, buckets and spades etc themselves this holiday.

We set out below what a child is likely to be able to do in each year group.

|         |  |
|---------|--|
| YN & YR | • use 1p, 2p, 5p and 10p coins to pay for items  |
| Y1      | • use different combination of money to pay for items up to 20p                          |
| Y2      | • use different combinations of money to pay for items up to £1                          |
| Y3      | • use different combinations of money to pay for items up to £2 and calculate the change |
| Y4      | • use money to pay for items up to £10 and calculate the change                          |
| Y5      | • order and compare the cost of items up to £1 000                                       |
| Y6      | • make comparisons between prices and understand which is best value for money           |

**DIARY: SUMMER TERM 2017**

|   |   |  |  |   |
