

ACTIVITY TIME

All these activities are related to...

You don't need to do every single activity but if you have time you can do more than one.

Imagine you have been asked to create your ideal lesson timetable for a day or a week at home or in school. Plan it out and decide what you would include and what you would leave out. Make sure it will provide children with a really good quality education!

What do you think makes a good teacher? Draw an outline of your ideal teacher and surround it with words that describe what that teacher is like.

Teachers and learners go together! So now think about what makes a good learner? Imagine you are talking to a younger brother, sister or friend who is about to start school. Describe to them how to be a really good learner! Invent a cartoon character to represent this good learner.
