Education is every child's right and use it to help you create a poem about education and learning.

You could begin:

- Education is a right
- Education is hope
- Education is...

Google 'The Book of Hopes' it is dedicated to everyone working in hospitals during coronavirus. Choose a poem or a story that you feel is special, If you find a favourite, share it with somebody at home or safely online with a friend or family member.

If you became the new Education Minister in the government – what would be the first thing you would do? Think carefully about what you think children and teachers need. You could have a go at writing your first speech describing the improvements you would make.

Schools and teachers do so much more than teach you facts. Think of every thing that happens at your school – how the adults look after you and treat you with dignity and respect, how you look after each other. Now write a 'recipe' for a Rights Respecting School. What are the ingredients e.g. respect, safety. How do you mix them together to create the best rights respecting learning environment?
