

# ACTIVITY TIME

All these activities are related to...

Can you find out how to say "Hello, how are you?" in 5 different languages. Share with friends and see how many you can get as a group.

Do you know any traditional dances? Research these safely online or ask a friend or grown up to teach you and practise the steps.

Find 10 characters from your favourite books. Do they come from a range of cultures or are they all just like you?

Culture means traditions that groups follow like food, dances, song and clothes. Draw or write about what is important in your culture. Then think of someone who comes from a different culture and share safely with them what is important about culture for each of you. This could be someone you know or you could pick a country or indigenous group and write to a child of that country or group.

You don't need to do every single activity but if you have time you can do more than one.
