Find out about a Paralympic sport that interests you and find a way to show your findings in something like a story, poster, PowerPoint or drawing.

Sign language is a way of communicating using your hands, mostly used by people with loss of hearing. Have a look at this website and see if you can learn some sign language. Teach what you learn to a friend or with someone in your household. Maybe even share a video with your teachers. You could also try this one for animals/alphabet.
