Parents "Evening" – Autumn Term

Dear Parents / Carers,

Thank you for your patience and kindness shown since we have resumed school for the start of a new academic year.

At this time of year we usually provide an opportunity for parents to discuss how well their child has settled into their new class and any concerns you may have. Due to the current climate, we will be unable to hold physical meetings this term. We hope your child has settled in well and are coping with "the new normal", which has had an impact on all of us.

If you are happy with how your child has settled and feel there is no need to speak to their class teacher, then that is fine. However if you would like to speak to your child's teacher, please contact them via Class Dojo or ring the school office and arrangements will be made to conduct telephone meetings for some time during the last week of this half term, beginning Monday October 19th.

We hope that the situation will have stabilised enough to enable us to once again conduct physical meetings during the Spring Term.

Many thanks for your ongoing support,

C. J. Welsh
