

LO: To create a simple ostinato pattern

An ostinato is a repeated pattern

Type into Google: chrome band lab

This will work on a PC/Laptop and iPad/iPhone

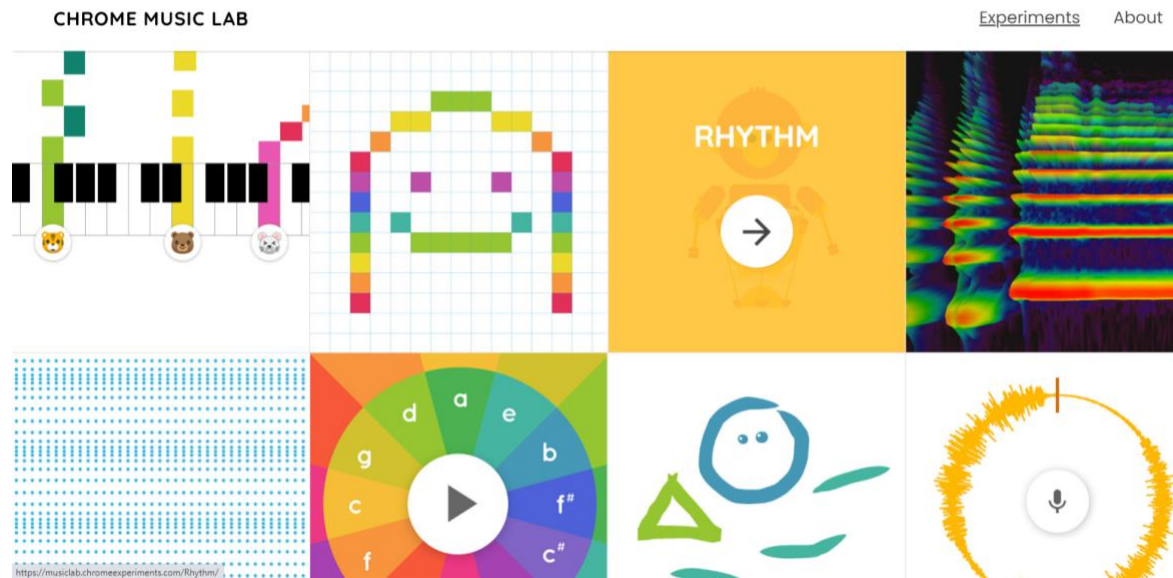

Click on the 1st link

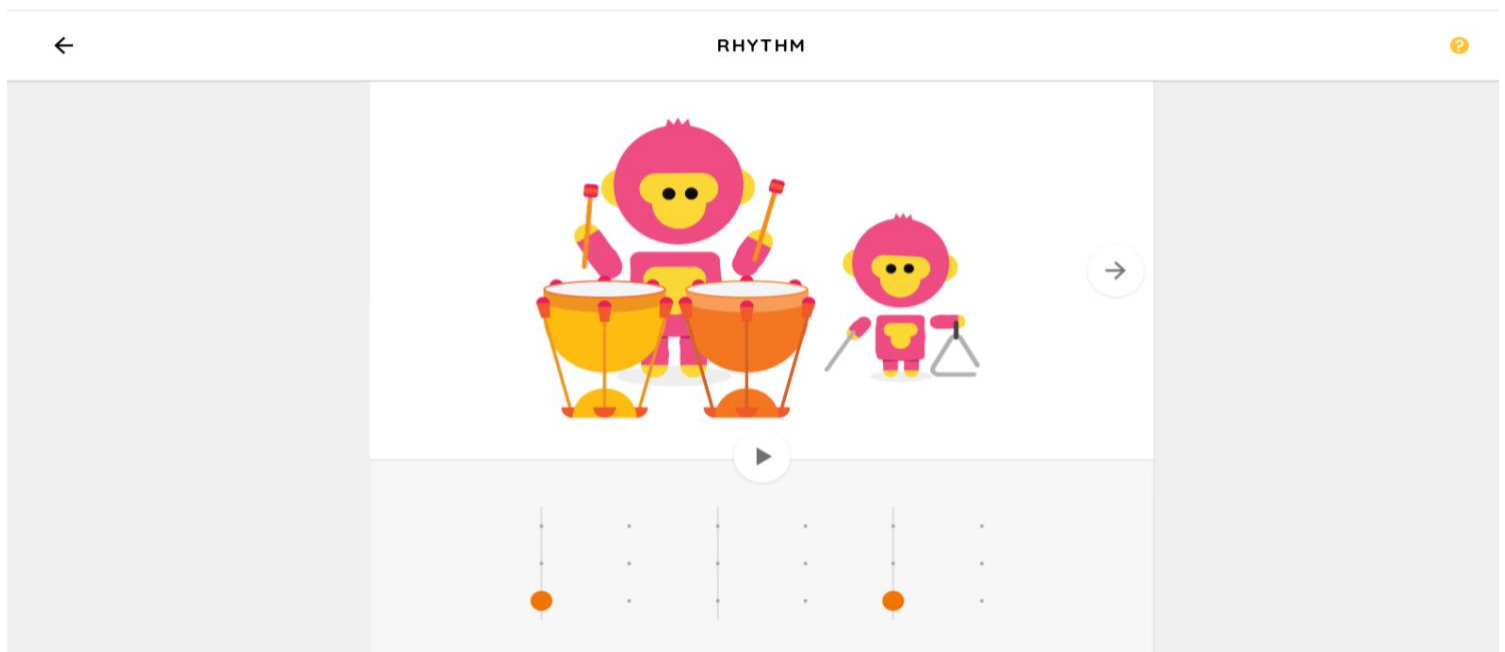

Your screen should appear the same as below:

Click on the third link Rhythm (Monkey)

Your screen should appear the same as below:

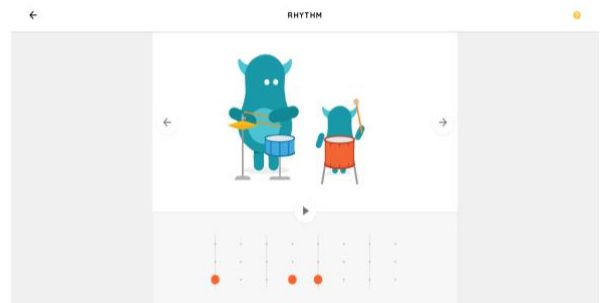

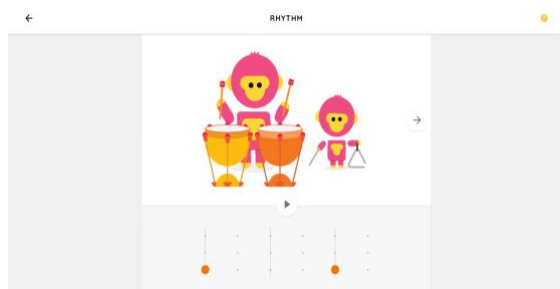

Start to click the bottom of the screen and that will create different rhythms and sounds.

See below an example:

Try writing this in first to help you understand how to use chrome band lab.

There are four different rhythm charts you can use to create / compose your ostinato patterns.

Have fun and good luck 😊
