September 2020 - Welcome back to school!!

Welcome to another Autumn Term at Tonnau. Things are different, but it's lovely to see our first classes back and learning! We should have most pupils back by the middle of next week - please keep checking our website and Schoop for updates, news and information.

We will do everything in our power to keep our pupils safe. It is currently recommended that pupils have some degree of 'safe distancing' - We can't always guarantee this - but we will do everything we can to make sure there is no unnecessary risk.

- Hand sanitisers are kept in strategic points around the school - pupils will be asked to use these regularly - especially on entering classrooms from outside.
- We want our pupils to
 1. Stay Clean. We wash hands regularly and use the hand sanitisers provided.
 2. Be Hygienic
 - put tissues in bin.
 - keep hands off each other and our faces
 - cough into sleeve or tissue etc.
 3. Keep a Safe Distance apart

Each class has its own start and finish time. Can we please ask everyone to abide by these times as it keeps our yard safe.

Can we please ask everyone to abide by social distancing rules in our yards. Each class has their own part of the yard, can Infant pupils stand with parents/carers in a safe place until pupils are called into the building.

Our classrooms have been arranged to support whole class learning and facemasks are not required for 'general learning'. However, pupils may, on occasion, find themselves supported by staff wearing face coverings - I hope you can understand that this will only happen to keep staff, pupils and families safe.

I would like to say thank you for all the support and understanding we have received. I hope you understand everything we do as a school is to keep our pupils safe, happy and learning. I'm sure we can continue to work together to make sure Tonnau Primary remains the same school we are all very proud of.

Yours sincerely,
Lloyd Jones
