

Dear Parents and Carers,

As you are all aware, there has been a rise in coronavirus cases throughout the County. We have no reported cases at school and we want to reassure you that we will continue to monitor this very carefully. We ask if you would please read the attached updated guidance documents from Welsh Government, Public Health Wales and Pembrokeshire County Council and continue to follow the guidelines for Wales. We are so lucky to have parents who have supported us throughout these last few months, with all the changes that have taken place, the social distancing, discussing concerns you may have. We are grateful to you all, thank you.

There is also guidance attached from PCC Safeguarding about supporting your child, it is a booklet about mental health, suicide and self harm. We understand this is a difficult subject to be attaching to this letter, however many children around the country are experiencing difficulties with mental health and wellbeing. Therefore, it is imperative that all parents have access to the guidance.

Please note the school website has been updated and all of the documents added. If you need any further information please don't hesitate to get in touch. As always we are only an email or phone call away.

The children are working hard, it has been a really fun and very productive half term and you will see examples of their lovely work being added to the class sections of the website throughout this week.

We break up for the half term holiday on Friday the 16th of October and we return to school on Monday the 2nd of November.

Please see the note below from Miss Kopecka which highlights Shwmae Wythnos. We will be taking part all through next week and are all looking forward to having lots of fun.

Many thanks and very best wishes,
Sharon

Next week, we will be celebrating the Welsh learner week in school where children will be involved in various activities learning about the Welsh culture and Welsh language. Shwmae day is on Thursday the 15th October and children will be able to come to school wearing the colours of the Welsh flag (coch, gwyrdd, gwyn).

It would be wonderful if you could take part too, by perhaps listening to the Radio Cymru to/from school or watching a program on S4C (English subtitles available) or use some of the Welsh greeting phrases with the children at home.

Diolch yn fawr,

Miss Kopecka

Bore da – good morning

Shwmae – how are you

Nos dda – good night

Prynhawn da – good afternoon
