## Good luck and Best Wishes!

We would like to say goodbye and good luck to all of the Year 6's who leave us this term. Although they might be sad to leave, they are ready for their new challenge in their lives as they get ready to start at their secondary schools in September. Good luck to Ted Bird, Eden Brown, Clemmie Davies, Ellis Davies, Ioan Davies, Iwan Evans, Chris Farmer, Ben George, William Glasspool, Dylan Gough, Daniel Montejo-Gillespie, Nell Jenkins, Lily Jones, Charlotte Lewis, Corah Milward, Amelie Murphy, Ashton Pinkney, Freddie Price, Dylan Roberts and Charlie Williams, who are all going to Gwernyfed High School. Sadly, we also say goodbye to Max Mackay-Lewis, Faye, Lexi and Ruby Pugh who have all moved house and will be starting new schools. We wish everyone the very best of luck for the future. A big thank you to everyone who has supported the school over the past year in any way and we hope you all have a lovely summer holiday and look forward to seeing everyone refreshed in September.

**Outdoor Classroom!!!!** We were successful, the second time round, in receiving a National Lottery grant for our beautiful new outdoor classroom which was installed during lockdown. This greatly enhances our Forest School area but also provides us with an outdoor learning space that is covered with desks, chairs, blackboard, teachers chair and windows,

soon to follow!!  
Everyone has loved using it already - eating lunch, playing, working. We love it!! Thank you the National Lottery!

**Our Values work for July is:**  
**Responsibility**

As our Year 6 pupils move onto secondary school, we think about the quote from the Bible which teaches us to take responsibility for our own actions -

**"For each will have to bear his own load." Galatians 6:5**

## GOVERNOR NEWS CHAIR OF GOVERNORS

Hello and welcome back to our new Covid-19 version of summer term. It has been a very strange time for all of us but I am very pleased that we are able to welcome pupils back into the building for a check in and catch up in July and say hello to everyone that has been attending school through the new online methods. The governors have been very proud of the manner in which Clyro School has continued throughout this crisis with teachers and staff ensuring that they fulfil their normal roles as well as new duties with the key workers hub. I feel that everyone has adapted very well and their flexibility and creativeness has allowed our children to continue learning alongside our different lives during the pandemic. It has not been easy or straightforward and we are all learning all the time. I wanted to say a big thank you to the staff for all their efforts and to all the pupils, parents and carers who have worked hard in this together. Our main concern is, as ever, the welfare and happiness of our pupils and this time of isolation has been difficult in so many ways. We don't know what school will look like in September and it is often exhausting to live with this constant unknown. What we do know is that we can rely on the school as a safe and solid core to our children's learning and that we can continue to ensure that we do our best to provide for the pupils and their well being. **Mari Fforde**

**Maisie competition** - Thank you to everyone who entered my Maisie competition, I was amazed to see so many entries to show Maisie God's wonderful creation - we are truly lucky to live in such a beautiful place! Our Key Stage 2 winner was **DYLAN ROBERTS** - for an amazing Maisie adventure in the Golden Valley video;

Our Foundation Phase winner was **JOHNNY GRAHAME** - for showing Maisie freshly hatched tadpoles! Well done to you both! Vouchers are on their way to you both - stunning work!

**Aren't we glad to be back!!** Only our first day back, but we are so pleased to be back here in our new normal. Thank you for the lovely messages we've received from parents who said how much their children had enjoyed their first day with us, it was much appreciated. We all enjoyed it so much too, as you can see from the photos!
