World Book Day 2021

World Book Day - We had some amazing entries for our World Book Day competition where pupils were asked to decorate either a wooden spoon or a potato as a character from a book. Lots of the pupils in school or at home dressed as book characters, as did the staff!! Enjoy!

GOVERNOR NEWS

CHAIR OF GOVERNORS

As Chair of Governors my first message is to welcome everyone back to school after this long winter lockdown. I am sure we all agree that we will be very glad when this time is fully over and we can return to lives that allow closer social interaction and sharing of our lives together. This time has also been highly stressful on the school front as concerns governors. Many of you have been involved in the parents campaign to try and stop the impending redundancy within the school and the possible move from four classes down to three. You may also know that the governors had financial delegation removed back in December. This means that we now have a very strained relationship with Powys as all financial decisions have now been taken over by a Powys 'Management Board'. This management board is also handling the redundancy process and so we have no say in the matter and know no details. As Chair of Governors, I would like to say that the governors have at all times had the education and well-being of the pupils at the forefront of their decisions, as is always the case. We would also like to say that we have and will continue to do what we can for the pupils and staff of Clyro School. I will let you know when I receive any further information.
