

How to see if your teacher has commented on your work:

▼ Providing feedback to a learner on a piece of work

The learner will know there is a comment because a speech bubble will appear over the file in their **my files** folder, containing the number of comments.

The learner can comment back to the teacher in the same way.

	date ↓	file name	
<input type="checkbox"/>	1 Apr 13:49	j2blast 01/04/2020-7

80 Mar 11:14 Hi [redacted] It's lovely to see you keeping busy with your sister. Upload any work you're doing on J2e and I can have a look. Stay safe [redacted]

80 Mar 13:37 thank you, i will stay safe, i am having fun homeschooling too
