

Language, Literacy & Communication

- Watch CBBC Newsround with your child and discuss the main points. You could even practise note-taking.
- Go to the [pobble365](http://pobble365.com) website and discuss the 'picture of the day' with your child. You may wish to complete the follow-up activities underneath the picture too.
- Write a recount of a favourite day out or holiday.
- Write a set of instructions about how to something that is super tasty.
- Practise reading with your child every day.
- Read stories to your child, other than books from school.
- Ask your child to re-tell their favourite story.
- Draw a story map with the main parts of the story. You could even innovate the story by changing the characters or scene setting.

WHAT CAN YOU DO AT HOME TO HELP YOUR CHILD?

YEAR 4

AUTUMN TERM

Maths and Numeracy

- Read/write numbers up to 10,000 and numbers to 1 decimal place in figures and words, knowing what each digit represents
- Solve additions using mental and column methods.
- Add and Subtract 3 digit numbers.
- Multiply and divide 2 digit numbers by a 1 digit number.
- Practise and learn all tables up to x7 (You can use the website TTRockstars to help you with this!)
- Collect and group data, using lists, tally charts and bar charts. Can you create a bar chart to show 5 children's favourite fruit?
- Practise your problem-solving skills.
- Measure the length of different objects around your house. Record your findings in mm, cm and m. Weigh different food items in your house if you have scales. Record your findings in g and kg.
